Overview

Safety Precautions

WARNING

The maximum load capacity as listed below may not be exceeded.
Exceeding load capacity may result in collapse and possible injury!

Max. Load Capacity per Shelf: 50lbs (22.6 kg)
Total Max. Load Capacity: 150lbs (67.8 kg)

IMPORTANT SAFETY INFORMATION

**THIS INSTRUCTION BOOKLET CONTAINS IMPORTANT SAFETY INFORMATION.
PLEASE READ AND KEEP FOR FUTURE REFERENCE!**

- Read and understand all the steps carefully before starting.
- Please follow the steps in the correct orders to avoid difficulties or damages to the parts during assembly. If each step is not followed in the correct order the assembly will be difficult and may result in damages.
- Make sure all the parts are included. Most boards are labeled with a removable sticker.
- Work in a spacious area, preferably on a carpeted surface, near where the unit will be used.
- Please wait until all steps are completed before tightening bolts.
- Please make sure all bolts are tightly fastened before the unit is used.
- **WARNING!:** ALWAYS install Tip-over Restraint Kit (provided) to reduce the risk of furniture tipover.
